Winning Social Media – Panel & Q&A

09.20 With Endless Opportunities To Grow Your Brand & Boost Your Reach, Where Should You Focus Your Budget To Grow An Effective Social Presence & Streamline Your Social Channels? + Specific TikTok Q&A session

- Social media isn't immediate sales activation, it's a long-term investment in relationship management: finetune your strategy for maximum impact that targets your audience
- Establish a clear mission with themes, messages and visuals that create a cohesive brand image across your social media to secure audience buy-in
- Draw on examples of successful social media campaigns and build on lessons learnt to sustain the spark of inspiration and minimise creative blocks
- Meta, X, Threads, what's next? As the social media landscape constantly evolves, assess the risks and advantages of different platforms to future-proof your online strategies
- Do more for less: how can your organisation innovate their social media strategies to build an organic reach that remains successful but does not break the bank?

Sharon Natt, Senior
Engagement Lead,

Achieving Digital Zen

09.50 Why Less Is More When It Comes To Successful Digital Strategies

- We show how a clear vision and strategic focus can help strip out the noise and consolidate your efforts around what works
- We lay-out our strategies for engaging stakeholders around this vision, so you can have fewer channels that sap energy from your team, more effective communications, and get better results
- We share ways of managing your digital estate that save money and mean happier, less stressed employees, without reducing your impact

David Eccles,
Co-Founder & Director,
Numiko

Marie Kitney,
Head of Client Services,
Numiko

Engaging Internal Audiences

10.05 Prioritise Transparency In All Areas To Revolutionise Your Workplace From The Inside Outwards To Create A Positive Environment & See Tangible Results

- Culture is a key enabler to ensure an engaged and enthusiastic workforce at all levels, how can we engage employees through positivity, resilience and collaboration to deliver results?
- The Ripple Effect: build authentically inclusive cultures through streamlined comms which effectively support employees and foster a sense of belonging in the workplace
- Tap into your external audiences by reflecting them internally with progressive, inclusive and open cultures centred around DEI which showcase results through authentic connection

Sue Martin,

REASON DIGITAL

THIS IS REASON

We are an award-winning social enterprise that partners with organisations that care, to create digital tools alongside people with lived experience. Together, we create lasting social good. Our team of 50 tech for good experts get up in the morning to change lives with digital. Not to simply sell more stuff. We work with charities and other pro-social organisations to support them in developing digital solutions and strategy with one goal - to improve the lives of the people they serve.

HOW WE CAN HELP YOU

- Website and app development
- **Co-design and discovery**
- Product design sprints
- **Digital strategy and transformation**
- Roadmapping and prioritisation
- **Service design**
- Illustration and animation
- **User research and more**

“ Thrilled to hear that many #Foodbanks love the new website! "One thing I can definitely say is that moving to WordPress saved us money on hosting. We're paying 80% less than we did last year. ”

@TrussellTrust, Twitter

“ The team at Reason were a pleasure to work with and the outcome was a clear, practical action plan that accurately reflected our reality and needs. ”

Alison Williams, YoungDementia UK
